

IT Support Analyst – South Auckland

Are you ready for the next step in your career? If you have reached the pinnacle of your IT support career and need the next challenge then read on.

My South Auckland based client is looking for a “can do” specialist who is able to provide 1st and 2nd level IT support for over 200 desktops, as well as be involved in project work, supporting and managing Telco partners and providing vendor management.

Ideally you will be a commercially experienced MCSE or be equivalently qualified commercially experienced Support Analyst who has supported a large number of desktops, you will also have strong server and Telco knowledge and a good understanding of IT and T networks and how they fit together.

My client not only provides a learning environment but a technically challenging one as well. They offer a modern South Auckland based organisation, who provide a positive and supportive environment for their staff. They are located only 25 minutes south of Auckland CBD and offer ample parking and a generous salary.

Please contact Steve Gillingwater in the strictest confidence on 09 304 2843 or 021 587 161 or steve.gillingwater@talentvault.co.nz.

NOTE To apply for this role you must be currently located in New Zealand and qualified to work here. Any international enquiries are welcome however only applicants that are legally entitled to work in New Zealand and can make themselves available for interviews in New Zealand will be considered for advertised positions.
