

Programme Manager (Fixed Term Contract)

My client is a large enterprise level organisation based in Auckland CBD. They offer excellent working conditions with state of the art facilities, with exciting and very challenging projects.

They are currently looking for a very experienced Programme Manager with at least 10 years of successfully delivering hands on IT based projects and at least 5 years as a Programme Manager with significant Project Management responsibility.

Ideally you have had the overall responsibility and successful management of multiple projects within large programmes of work and all the associated inter-dependencies and risks. You will also ideally be qualified as a PgMP or MSP. If this sounds like you then call me now for further information.

Please contact Steve Gillingwater in the strictest confidence on 09 304 2842 / 021 587 161 or send your Resume to jobs@talentvault.co.nz

NOTE To apply for this role you must be currently located in New Zealand and qualified to work here. Any international enquiries are welcome however only applicants that are legally entitled to work in New Zealand and can make themselves available for interviews in New Zealand will be considered for advertised positions.
