SAP Business Analyst (CRM/SD)

Do you have strong SAP Business Analyst experience with the SD and CRM modules? My Auckland based client is looking for an SAP Business Analyst with some Functional knowledge who can join their team of highly specialised Consultants and help with some exciting new SAP implementation projects.

Ideally you will also have some hands-on Project Management experience and have experience liaising and managing SAP Vendors through new module implementations.

Due to the seniority of the position a very generous salary is offered with the benefit of flexible hours and a fantastic working environment. Come and join a real team environment of specialists where knowledge sharing and training are an everyday possibility.

Please contact Steve Gillingwater in the strictest confidence on 09 373 5005 or jobs@talentvault.co.nz.

NOTE To apply for this role you must be currently located in New Zealand and qualified to work here. Any international enquiries are welcome however only applicants that are legally entitled to work in New Zealand and can make themselves available for interviews in New Zealand will be considered for advertised positions.
