

### **Storage Specialist – Auckland CBD**

Are you ready for a challenging, yet rewarding job opportunity that will provide you with substantial technical and personal growth.

My centrally Auckland based client is looking for a “can do” specialist who is able to provide implementation, management and support of a enterprise storage environment defined as SAN’s, NAS and TSM services.

You will be taking a lead role in seeking improvements in service provisioning as well as be the subject matter expert and escalation point for users.

You must have at least 5 years experience in a large enterprise level organisation with in-depth experience with a SAN and NAS technologies as well as familiarisation of a virtualised environment and good working knowledge of VM Ware.

My client not only provides a learning environment but a technically challenging one as well. They are an Auckland CBD based organisation, who provide a positive and supportive environment for their staff as well a number of very challenging and interesting IT projects.

Please contact Steve Gillingwater in the strictest confidence on 09 304 2842 or [steve.gillingwater@talentvault.co.nz](mailto:steve.gillingwater@talentvault.co.nz)

NOTE To apply for this role you must be currently located in New Zealand and qualified to work here. Any international enquiries are welcome however only applicants that are legally entitled to work in New Zealand and can make themselves available for interviews in New Zealand will be considered for advertised positions.
