

Systems Analyst

South Auckland based

Calling all Business/Systems Analysts! We have clients demanding your skills now!

Are you working in the CBD and sick of the Southern motorway... then work closer to home.

Talent Vault currently has a client looking for a strong Systems Analyst with a focus around "As is" and "To Be" functional design with proven business analysis work experience, within a complex multiple user environment.

You will assist customers in process redesign, with a focus on best practices especially within financial systems such as SAP.

Come and join a real team environment of specialists where knowledge sharing and training are an everyday possibility.

Please contact Steve Gillingwater in the strictest confidence on 09 304 2842 or steve.gillingwater@talentvault.co.nz.

NOTE To apply for this role you must be currently located in New Zealand and qualified to work here. Any international enquiries are welcome however only applicants that are legally entitled to work in New Zealand and can make themselves available for interviews immediately in New Zealand will be considered for advertised positions.
